Area di ricerca

29/09/2020

8,45-9,30

Plenary Lecture. **Gilberto Fisone,**
Department of Neuroscience, Karolinska
Institutet, Stockholm,Sweden,
Motor and non-motor symptoms in
Parkinson's disease: what can we learn
from animal models?

SIMPOSIO 1 (9,30-11,30)

| | | |
|-----------|------------|-------------------------|
| Francesco | Ceccarelli | Cognition and Behaviour |
| Arianna | De Rosa | Cognition and Behaviour |
| Jacopo | Marongiu | Cognition and Behaviour |
| Matteo | Bruzzo | Cognition and Behaviour |
| Giulia | Fruento | Cognition and Behaviour |
| Livia | Cosentino | Cognition and Behaviour |
| Surabhi | Ramawat | Cognition and Behaviour |
| Martina | Lorenzati | Development |

SIMPOSIO 2 (11,45-13,45)

| | | |
|-------------|-------------|---------------------------------|
| Alessio | Ardizzone | Disorders of the nervous system |
| Mario | Campanile | Disorders of the nervous system |
| Annarita | Barone | Disorders of the nervous system |
| Salvatore | Della Notte | Disorders of the nervous system |
| Rossana | Di Martino | Disorders of the nervous system |
| Maria Laura | Frisina | Disorders of the nervous system |
| Jessica | Mingardi | Disorders of the nervous system |
| Daniele | La Russa | Disorders of the nervous system |

SIMPOSIO 3 (14,30-16,30)

| | | |
|----------|-----------|---------------------------------|
| Markella | Baklou | Disorders of the nervous system |
| Martina | Venturini | Disorders of the nervous system |
| Paolo | Masia | Disorders of the nervous system |
| Edoardo | Penna | Disorders of the nervous system |
| Elena | Casarotto | Disorders of the nervous system |
| Adriano | Lama | Disorders of the nervous system |
| Livia | Guadalupi | Disorders of the nervous system |

SIMPOSIO 4 (16,45-18,45)

| | | |
|----------|----------------|---------------------------------|
| Irene | Bulli | Disorders of the nervous system |
| Sara | Pizzi | Disorders of the nervous system |
| Fabio | Bellia | Disorders of the nervous system |
| Alfredo | Megaro | Disorders of the nervous system |
| Naomi | Ciano Albanese | Disorders of the nervous system |
| Enrico | Marchetta | Disorders of the nervous system |
| Lara | Senn | Disorders of the nervous system |
| Federica | Campanelli | Disorders of the nervous system |

30/09/2020

Salutation from the Italian Society of
Neuroscience (8,45-9,30)

SIMPOSIO 5 (09,30-11,30)

| | |
|---------------------|---------------------------------|
| Alessandr Comincini | Disorders of the nervous system |
| Claudia Cristiano | Disorders of the nervous system |
| Marco Salluzzo | Disorders of the nervous system |
| Aurora Cermelli | Disorders of the nervous system |
| Mandeep Kumar | Disorders of the nervous system |
| Gioia Marino | Disorders of the nervous system |
| Aurora Musa | Disorders of the nervous system |
| Giuseppir Natale | Disorders of the nervous system |

SIMPOSIO 6 (11,45-13,45)

| | |
|--------------------|---------------------------------|
| Lucrezia Calabrese | Disorders of the nervous system |
| Marcello Serra | Disorders of the nervous system |
| Claudio Giuliano | Disorders of the nervous system |
| Gerardo Ongari | Disorders of the nervous system |
| Giovanna Morello | Disorders of the nervous system |
| Chiara Urbinati | Disorders of the nervous system |
| Roberta A Zerbo | Disorders of the nervous system |
| Lucrezia Zerillo | Disorders of the nervous system |

SIMPOSIO 7 (14,30-16,30)

| | |
|--------------------|--|
| Matilde Balbi | Excitability, synaptic transmission, network functions |
| Giulia Lamonaca | Excitability, synaptic transmission, network functions |
| Ilham El Atiallah | Excitability, synaptic transmission, network functions |
| Giulia Ma Giordano | Excitability, synaptic transmission, network functions |
| Anita Monteverdi | Excitability, synaptic transmission, network functions |
| Lidia Carotenuto | Excitability, synaptic transmission, network functions |
| Matteo Pesoli | Excitability, synaptic transmission, network functions |
| Francesca Cisani | Excitability, synaptic transmission, network functions |

SIMPOSIO 8 (16,45-18,45)

| | |
|----------------------|--|
| Annamari Tisi | Novel methods and technology development |
| Claudia Ferraris | Novel methods and technology development |
| Alessandr Falconieri | Novel methods and technology development |
| Sara A. Scudieri | Sensory and motor systems |
| Nadia Giordano | Sensory and motor systems |
| Lorenzo Fiori | Sensory and motor systems |
| Teresa Maltempo | Sensory and motor systems |
| Luca Vismara | Sensory and motor systems |
| Martina Bellagamba | Sensory and motor systems |
| Barbara Tedesco | Sensory and motor systems |
| Valeria Valente | Sensory and motor systems |
| Antonella Pomè | Sleep autonomic and neuroendocrine systems |
